We encourage anyone working for a non-Guild animation company to contact the Guild office to sign a representation card. A representation card will show that you wish to have Local 839 serve as your collective bargaining representative in signing a Guild contract. At no time will the employer be notified that you have signed this card. When sufficient representation cards have been received, Local 839 will contact the National Labor Relations Board to request a certification election at the company. If we win this election, the company will be obligated to negotiate a contract with Local 839. Contact the Guild office for details.
